

Do you have **trouble remembering** what you've read?

Are you **bored, distracted** or **tired** when you read?

Come to the

Better Reading Strategies Workshop!

Where you'll learn:

- ✓ ways to **motivate** yourself to **start and FINISH** your required reading.
- ✓ what it means to **read "actively"** and **how to do it**.
- ✓ techniques to improve **understanding**.
- ✓ tricks and tips to **improve memory** during and after reading.

What students have said about this workshop:

"This is a great workshop that I really enjoyed. I feel like I can actually use these strategies in the future."

"I really learned a lot about annotating and the proper way to take notes!"
